BREAKING: GotNews Wins First Stage of Appeal on #MichaelBrown Records #Ferguson #EricGarner

DEC 5, 2014 by CHARLES C. JOHNSON 12

WE STILL NEED TO SEE MICHAEL BROWN'S JUVENILE RECORDS.

The court of appeals has ordered that the judge who denied GotNews.com the records has until 12/18/14 to submit a response brief justifying her actions.

In a brief that draws allusions to the Gulf of Tonkin and the Jonathan Gruber tapes, GotNews.com counsel John Burns successfully argued the first round of our appeal.

Please read the entire appeal.

Good luck. But I'm afraid these records are being shredded, as we speak, on the orders of Eric Holder. Or there will be an unexplained hard drive crash.

There is always the police officers who actually arrested this savage, their testimony and evidence which isn't destroyed.

Good luck. I support this. It is important to know what he was charged with. Though clearly, and by their own words, his supporters do not care about facts.

Personally, sealing a juvenile record is just plain wrong. It only provides a chance to start a second criminal career that will likely be an escalation of the first. Fine cut juveniles some slack, but keep track of their activities and behavior.

The reason young people are becoming more violent is because nothing bad ever happens to them. They are sheltered from responsibility for their actions. They know their bad behavior is concealed so they have no motivation to change. Unfortunately, the majority of them have no impulse control, nor concern for anyone other than themselves. They will do whatever it takes to get their way. Until that changes, it will get worse.

The POTUS and AG getting involved is racial and has nothing to do with justice, just an agenda.

When you are not yet 18 years old and actually murder someone else and are charged with

2nd degree murder it goes on your juvi record... if you turn 18 years old and attack a cop who shoots you... then there can be "no conviction" because dead thugs do not go to court. The thug worshippers are "whining" about the difference between charged and convicted because they do not CARE about the dead black man pounded to mush by the FISTS of their idol "the unarmed gentle giant". The level of delusional insanity is off the charts... Do you realize that DOJ Holder/Obama MBmom MBdad MBmom's boyfriend gangster Head ALL exactly know this information? How can they keep their LIES going? How long before others finally face the truth instead of bowing to LIES?

This is very important work, as it will shine a light on the mindset of these young thugs. Obviously Brown's community is drug and gang infested, and young teens are hardened perps before they are legal. This is the real travesty, not the faux racism crap.

I have been reliably assured by many people on Gawker that Brown had no criminal record.

Is that because he died committing the felony of assault on a police man first? There is a dead black man murdered a year ago ... by a black teen... does his life matter? his death sure didn't matter... I feel sorry for that man who did not attack a policeman but who was bashed to death by a "yoof".
